ClubCorp Charity Classic

ClubCorp is marking its golden anniversary in October, by celebrating 50 years of service and holding the world's largest one-day charity golf and dining event, "The ClubCorp Charity Classic: Celebrating 50 Years."

During this historic event, the golf and country clubs will open their golf courses to more than 15,000 players for tournaments and auctions, while business clubs will use this rare event by opening their dining rooms for classic dinners and auctions with more than 5,000 members and guests enjoying a signature menu created specifically for the event. Contact your club manager for information on how you can play a part in this significant event.

All proceeds raised during the events will be donated to the following organizations...

but as a **privilege...**
